Photo Opportunity – West Valley City Giving Tree Wrapping Party

West Valley City – West Valley City Police Officers will once again reach out to families in need to help brighten their holiday season through the City's Giving Tree Project. The project will help benefit 57 families and 184 youth in this year's event.

Press is invited to the wrapping event on Wednesday, December 16, 2010 between 9:00 a.m. and 1:00 p.m. at the Hollywood Connection skate rink, 3217 South Decker Lake Drive in West Valley City. Due to the sensitive nature of some families' current circumstances, press will not be invited to attend the family event day.

The Giving Trees, located at Valley Fair Mall's center court, were decorated for three weeks with cards that each had a child's name, their clothing sizes, a wish list and a needs list. The presents will be wrapped by volunteers on Wednesday, December 16, 2010 prior to a family event day in which families will join members of the West Valley Police Department for breakfast. The youth will also have a short visit with Santa Clause before receiving their gifts.

Partners for the Giving Tree project include Valley Fair Mall and Hollywood Connection.

For more information, please contact the West Valley City Neighborhood Services Office at 801-963-3285.
